Italian City-States

Using the information in your textbook and the map on this page, answer the following questions.

1. To which Italian states did the following cities belong in 1815: Milan, Venice, Florence, Rome, Naples, and Turin?
2. Who governed the kingdom of Naples and Sicily?
3. Which Italian states were under the direct control of the Austrian Empire? Which were under the Hapsburg princes?
4. Which were not controlled by foreign governments? Who ruled these states?
5. Which states never became part of Italy? To whom do they belong?
6. What political theory or feeling led to unification in Italy (and later Germany) at this time?
